Ted, a chara

Further to today's meeting of the Public Accounts Committee.

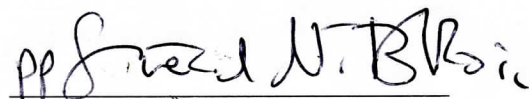

We wish to express our deep dissatisfaction with the decision of the committee in respect of the request made by Garda McCabe that the transcript of his evidence be provided to him.

When the committee last discussed this matter it was agreed that should Garda McCabe make such a request we would facilitate him.

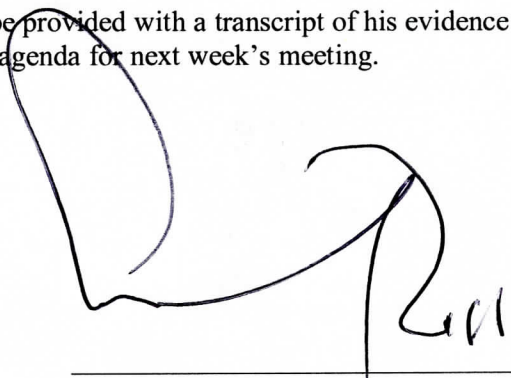

Today's decision runs contrary to what was agreed and this development causes us deep disquiet.

We now ask that Garda McCabe's request that he be provided with a transcript of his evidence to the Public Accounts Committee be placed back on the agenda for next week's meeting.

With thanks,

Mary Lou McDonald TD
